Continuation of Substance of Interview including description of the general nature of what was discussed: The examiner called applicant's representative of record the week of June 22, 2004 to ascertain if application was abandoned. Applicant's representative returned call stating that the last action of November 18, 2003 was not received. The examiner noted that applicants change in address and attorneys was of record but that while the change reached the PTO 10/20/2003 that it had not been acknowledged until January 15, 2004, thus the examiner's action of November 18, 2003 was mailed to the wrong address. On this date June 29, 2004, the examiner called Mr. Pianki to inform him the action of November 18, 2003 would be remailed and the date of response reset. Thus, the application would not be held abandoned. .
